High School**

## **Scholarships**

**As students head into their final year of high school, forefront on the minds of many are questions surrounding post-secondary schooling, scholarship availability, and application deadlines. In an effort to provide the most up-to-date resources, Student Services houses a wealth of information on post-secondary institutions, work experience opportunities, financial support, study abroad experiences, the RAP program, and building your own personal portfolio. We also host a number of events throughout the year to support our graduating students as they plan for their future.**

**Please scroll down to see the many different scholarships available to Strathcona Students.**

## External & Post-Secondary Scholarships and Awards

This document contains a listing of awards and scholarships available to Grade 12 students commencing post-secondary education in the fall. These awards/scholarships are from sources external to the post-secondary institutions themselves. Please check the post-secondary calendars for information on institutional scholarships for individual institutions other than the University of Alberta.

All deadlines are based on our most current application information and must be verified by the student applying for the scholarship.

Please check the Daily Bulletin for new Scholarships as they become available.
